Scania Used Vehicle Extended Driveline Warranty

Scania Dealers supply Approved Used Vehicles with the Scania Used Vehicle Extended Driveline Warranty to first purchasers from the Dealership subject to the terms of warranty set out below.

Neither Scania (Great Britain) Limited ("SGB") (unless it owns or controls the selling dealer or sells direct) nor Scania CV AB gives any warranty direct to the first purchaser/user as they are not party to that sale, nor contemplate passing any benefit or liability under that contract.

Scania 'First buyer only' Warranty

This warranty is from the selling dealer (or SGB in the case of direct sales) and is solely for the benefit of the first buyer from that seller ('the Customer') and not for the benefit of any subsequent buyer/user unless previously agreed in writing by Scania or the first selling dealer. Subsequent sales of the vehicle are subject to the terms of the relevant sales contract.

Intermediaries and Finance Companies

If the Customer employs the services of a duly authorised intermediary, the sale will be registered to the Customer as principal and the vehicle registered in their name, with any benefit of this warranty. If the Customer finances the purchase through an agreed legitimate finance company (e.g. by lease, contract hire, hire purchase) the benefit of this warranty shall be available to such Customer.

General

The Scania Used Vehicle Extended Driveline Warranty offers extended **protection against failure of a component directly attributable to a manufacturing or material defect.**

This warranty is for Scania Approved Used vehicles **only** purchased from a Scania Authorised Dealer and must be purchased prior to the Scania vehicle going on the road to ensure continuous cover from the date of purchase. Scania records of cover shall be definitive. Scania standard conditions of sale shall apply, as modified by this warranty.

Conditions applying to any warranty claim

Subject to the Inclusions Limitations and Exclusions below, the Customer must also ensure that:-

- the vehicle has been correctly maintained in accordance with Scania recommended maintenance schedules, for the relevant operation type.
- the vehicle has been operated in a legal manner and with due care.

SCANIA

Scania (Great Britain) Limited

- the vehicle has been stopped as soon as any defect has become apparent (including any warning lights) so that no further damage is caused.

In the event of a failure relating to the items covered by this warranty becoming apparent during the period of cover, the vehicle must be taken to a Scania Authorised workshop at the first opportunity, which will verify cover and carry out the necessary repairs covered by this warranty. In the event of a defect causing the vehicle to come to an involuntary stop Scania Assistance should be contacted, who will arrange for roadside assistance from the nearest Scania Authorised workshop.

Warranty Terms

This warranty is available on the following conditions:-

1. Repair obligation.

During the applicable warranty period the Scania Dealer will remedy any driveline (i.e. engine and gearbox only) defect in the Scania vehicle which is a direct result of defective materials or workmanship in the design or manufacture of the vehicle and which is included in the list of Inclusions below. The Scania Dealer shall at its own cost and option carry out such repair or replacement including dismantling and re-installation as is necessary to achieve a cost effective repair commensurate with the nature of the failure and the age and mileage of the vehicle. The warranty will not be affected by the use of refurbished parts in any such repair.

2. Operators Obligation

The Customer is responsible for ensuring the vehicle has been correctly maintained in accordance with Scania recommended maintenance, for the relevant operation type. Evidence of such actions must be presented to the Scania Dealer when requested in order for this warranty to remain valid.

Outline of Scania Maintenance intervals using Scania LDF3– refer to your Scania Authorised Dealer to agree specific maintenance due interval details based on operation, mileage etc

Operation	Max Interval	Last Service	Service Due	Service Due	Service Due

9. Statutory Liability.

Nothing in this warranty shall exclude or limit liability for death or personal injury arising from the negligence or breach of strict statutory duty of the Scania Dealer. In the event that a sale or supply is legally categorised as a Consumer transaction the consumer rights as to quality and supply with due skill and care shall not be restricted or excluded.

10. Limitation of Liability.

The terms of this warranty in association with the applicable terms of sale shall be the full extent of the Scania Dealer's liability for any defects. The Scania Dealer shall only be liable for repairs replacements and any costs specified in this warranty, as long as the Customer has met its obligations. The Customer shall not be entitled to any further damages or compensation, in particular no claims for loss of use, loss of opportunity, loss of profit or any indirect or consequential losses. Neither Scania nor the Scania Dealer shall be liable for contingent or consequential losses however arising. The maximum liability shall in any event be limited to the purchase price of the vehicle in question.

11. Jurisdiction.

This warranty is governed by English law and is subject to the jurisdiction of the English courts.
